Gardner Bender Receives Two 2015 Vendor of the Year Awards

Menomonee Falls, Wisconsin – 2016

Gardner Bender, a leading manufacturer of electrical tools, voltage testers, wire management products, and professional large powered equipment recently received 2015 Vendor of the Year Awards from True Value and Do it Best Hardware Cooperatives.

The annual awards are presented to a vendor in the electrical category which offers the best combination of sales, successful deliveries, customer service and customer satisfaction to the member stores.

The awards reflect growing momentum at True Value and Do it Best, which has been fueled through innovative planograms and assortments as well as operational efficiencies and high fill rates.

“Sustained success is about more than just numbers”, says Mike Masino, President of Gardner Bender. “We take great pride in our relationships with our customers, and working together to successfully launch new products and merchandising concepts. We are extremely honored to receive these awards from True Value and Do it Best.”
