

NEW *Cable Management Clips*

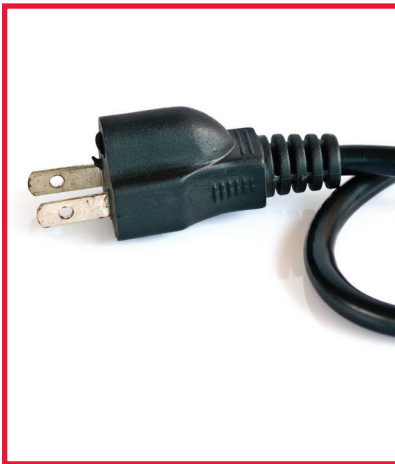

The average adult uses four or more electronic devices between home and work on a daily basis. Gardner Bender introduces a new way to organize, utilizing cable management clips. With a self-adhesive back and easy to open clips, this is a simple, affordable, and stress free way to manage any cord or cable concern. Add this to your assortment for a great impulse buy to drive exponential sales.

How it Helps You:

- Manage cords, wires, and cables.
- Home and office will be cleaner by having electronic cords under control.
- Minimizes any safety risks surrounding unorganized cables/wires.

NEW Cable Management Clips

Benefits:

- **Organize:** Keep any area in your office or home neat and orderly with these plastic wire clips.
- **Ease of Use:** Insert cord (s) into Cable Clip. Peel the backer off the adhesive side on the Cable Clip. Place on surface, and begin organizing.
- **Merchandise:** Cable Clips come in compact size bags, and take up minimal space. Clips can be presented with a peg or cut case.

Features:

- Ideal for home and office use
- Self-adhesive backing
- Clips can be opened and closed easily to change or add more cables
- Access the ability to organize multiple cables with just one Cable Management Clip
