

NEW
**Ultra Brutus™ External
Conduit Adaptors**

Proud to announce the availability of External Conduit Adaptors to be used on the Ultra Brutus™ 10,000 lb. Cable Puller! The external adapter design ensures adaptor does not impede the cable during the pulling process.

Part #	Description
CP10-220	2" External Conduit Adaptor
CP10-219	2-1/2" External Conduit Adaptor
CP10-218	3" External Conduit Adaptor
CP10-217	3-1/2" External Conduit Adaptor
CP10-188	4" External Conduit Adaptor

Features and Benefits:

- Threaded adaptor collar externally screws onto conduit to ensure adaptor does not impede the cable during the pulling process.
- Three head screws included to allow for secure mount to adaptor collar.
- Adaptor collar design allows for hand tool to easily tighten/loosen adaptor collar to the conduit pipe.
