## **NEW** *Hotblanket™ PVC Benders*

The most durable and economical PVC bending solution in the industry. Flexible and easy to use blanket allows bending in-place, in any position. Advanced thermostatic control heats pipe fast even in cold or windy conditions, and will not scorch or burn PVC. Multiple circuit design with wound heavy gauge wire ensures the longest life of any bending blanket.

- Durable and economical
- Bend in any in-place position
- Will not burn or scorch PVC
