

Ultra Brutus™ Cable Puller

Introducing our Ultra Brutus™ 10,000 lb. Cable Puller

Leading the heavy-duty class, the Ultra Brutus™ 10,000 lb Cable Puller takes both the labor and the labor cost out of cable pulls. Commercial electrical contractors that need both equipment and operator to be ready at all times will appreciate its flexible operation, mobility and labor saving features.

The Ultra Brutus™ comes fully assembled from the factory with no loose parts, no tools needed, and can be completely set-up by one person. It features a 1.7 HP motor engineered to provide consistently strong pulling power at less amperage, which adds durability and a steady pull speed.
