

Please use extra caution when fueling!

DANGER:

Extremely flammable.

Contents under pressure.

Do not use near fire or flame.

Do not puncture or incinerate container.

Do not expose to heat or store at temperatures above 120 degrees F.

Do not inhale contents.

Keep away from children.

NOTE:

Do not refuel in kitchen near sink or pilot light. Use only as directed, intentional misuse by deliberately concentrating and inhaling the contents can be harmful or fatal.

The torch or its fueling container may not be checked or carried on to a passenger aircraft. Do NOT touch the nozzle during use or before cooling.

ALWAYS be sure the unit is cool and the lighter is removed from the torch's case before storing! Keep in a dry place away from children!
