

No Tools.
Just Twist!

CUTTING EDGE™

Save time and frustration using the latest innovation from Gardner Bender, a self-cutting cable tie. Simply lock and twist to finish the job, with no need for additional tools! This leaves a clean cut, which improves appearance and eliminates the sharp extra amount left behind with 50 pounds of tensile strength. Provide your customers with a safe, quality, and fast way to complete any task.

- Use on the job, around the house, in the workshop
- Saving time and no tools are needed
- 50 pounds of tensile strength

Benefits:

- **Easy:** Just simply twist the tie and tear off the extra amount when complete.
- **Save time:** Cable ties are quick application bundling devices. No need to grab extra tools.
- **Save Money:** Replacing cable ties are costly in time and effort and no need to buy extra items.

Features:

- Safe & strong self-cutting technology
- 50 pounds of tensile strength
- Durable & long lasting material
